The screenshot displays the OSKEM website interface. The top navigation bar includes links for 'Danışma Kurulumuz', 'İletişim', 'Bilgi Merkezi', and a logo. Below this, there are several tabs for different services: 'CIPE', 'TEİD', 'TKYD', 'TICE', 'INSchuola', and 'INblog'. The main content area features two prominent cards. The first card, titled 'Kolektif Eylem Rehberi', shows a group of business professionals in a meeting. The second card, titled 'Aile Şirketleri İçin Yolsuzlukla Mücadele Rehberi', shows a man in a suit with his hand raised in a 'stop' gesture. Both cards have a 'Rehbere git!' button. At the bottom of the page, there is a text block in Turkish: 'Şirketlere özel yolsuzlukla mücadele, suistimallerin önlenmesi, iş etiği risklerinin etkin yönetimi eğitimleri!' and an upward-pointing arrow icon.
